Workforce Trends To be an entrepreneur you don't need to be a certain age. A lot of teens are successful entrepreneurs. The U.S. Small Business Administration has a Teen Business Link to help teens start, grow, and own a business: http://www.sba.gov/teens/		Core Curriculum and elective requirements may vary district to district. Check with your school counselor. Concurrent enrollment course offerings vary by school and district. Many Utah post-secondary programs accept high school courses toward a two- or four-year degree through concurrent enrollment. Check regional post-secondary Pathways for details. Foundation courses taken beyond the required credits can be used as elective credit. *The Business or Marketing Entrepreneurship course counts towards the required Pathway credit.			<p align="center">Career and Technical Education Recommended Pathway Courses (Students may select individual courses for exploration, or a complete Pathway for an in-depth focus.)
