

High School to College and Career Pathway: Secondary

Career and Technical Education: Preparing Students for College and Career!

Area of Study: Business Education

Pathway: Business Management

Get the Facts

If you aspire to earn an MBA, consider a path that includes some humanities, a bit of economics, and some patience.

Workforce Trends

In the past, MBAs generally covered all aspects of business. But these days, programs are expanding to include specializations ranging from nonprofit management to international business and electronic commerce.

CAREER AND TECHNICAL EDUCATION

Recommended Pathway Courses

(Students may select individual courses for exploration, or a complete Pathway for an in-depth focus.)

* Talk to your school counselor about math requirements in the new common core curriculum. Core curriculum and elective requirements may vary district to district.

Concurrent enrollment course offerings vary by school and district. Many Utah postsecondary programs accept high school courses toward a two- or four-year degree through concurrent enrollment. Check regional postsecondary Pathways for details.
