<p>Workforce Trends</p> <p>Child care workers held about 1.4 million jobs in 2006. About 35% of child care workers are self-employed. 18% of all child care workers are found in child day care services, and about 20% work for private households.</p> <p>According to the U.S. Department of Labor, employment of child care workers is projected to increase 9 to 17% for all occupations through the year 2014.</p> <p>Get the Facts</p> <p>Nationwide, families pay an average of 14% of their annual income on child care. Approximately 35% of all child care workers are self-employed.</p>		<p>Core Curriculum and elective requirements may vary district to district. Check with your school counselor.</p> <p>Concurrent enrollment course offerings vary by school and district.</p>		<p>3.00 credits for completion</p> <p>Many Utah post-secondary programs accept high school courses toward a two- or four-year degree through concurrent enrollment. Check regional post-secondary Pathways for details.</p>																																												

Note: For more information, talk to your school counselor.
